BRIEF BITS OF NEWS FROM THE SPRINGER STOCKMAN

The justice of the peace and constable election in the various precincts of the county passed off very quietly and orderly so far as can be learned, while in some the contest was very spirited up to the closing of the polls.

In this precinct the ordinary vote was cast. J. F. Hutchison received 86 votes for justice with 9 scattering, making a total of 95 cast for justice of the peace.

For constable Douglas Wright received 94 out of 96 votes cast.

There was only one ticket in the field in this precinct. A little occurrence that some desired mentioned here, happened during the day, but we pass it unnoticed, as it would injure some feelings of more innocent ones.

At Cimarron there were three tickets in the field and the contest was lively all day. A Mr. Wilson was elected justice of the peace and William Winters constable.

At Colmar, precinct 19, there was only one ticket in the field, J. T. Fernandez for justice and J. Benito Martinez for constable. Both were elected.

In East Las Vegas the democratic candidate for justice of the peace was elected over the present incumbent, Judge Bope. The reason for Bope's defeat is said to be due to his opposition to county division.

At Roy, Mora county, the democrats elected Pablo Branch justice of the peace.

Wagon Mound, Mora county, heretofore one of the strongest republican precincts in the county, was carried by the democrats, Rafael Gallegos being elected justice of the peace and Albert King for constable.

C. M. Bayne was elected justice of the peace in precinct 6, Raton, having no opposition.—Springer Stockman.
